Q14: What is your favorite part of Staff Appreciation? What could we do to make Staff Appreciation even better this year?	I liked getting items from my class, such as something special each day-flowers, a coffee in the morning, read my class a book, gift cards, cards from kids, etc. Making the food for the staff was very nice because we could all come together at lunchtime. However, most of the items I couldn't eat b/c of the wheat allergy. So, perhaps either parents could bring each staff member something for lunch, or make more veggie & gluten free items?

Q15: Any additional tips, comments or suggestions?

Teachers love coffee in the mornings. Maybe someone could make a pot of coffee each morning? Funny how something that seems so small makes teachers so excited! Thank you SOOO much for helping the teachers feel special! We appreciate it!
