

Dear Parents of 3rd Graders:

Members of the Coastal Communities Concert Band are going to show your child how to play band instruments at your child's school during April and May 2010. The children will get to try a trumpet, trombone, baritone, clarinet, alto saxophone and flute. San Diego County Music Exchange of Vista generously donated the use of these instruments. We welcome you to come and watch the excitement.

Learning a band instrument is a wonderful educational experience. Performing in the school band requires dedication to learning and teaches listening, team work, multi-tasking, and working toward a common goal. These are all skills that are highly valued by colleges and employers.

Following the school visits, the Coastal Communities Concert Band will offer free tickets to your child and your family to be our guests at our concert on Sunday, May 23, 2010 at the Encinitas Community Center, 1140 Oakcrest Park Drive, Encinitas, CA 92024. We will send you more information about the concert after the classroom visits.

Thank you for letting us share the joy of instrumental music with your children.

Sincerely,

A handwritten signature in cursive script that reads "Judy Thum".

Judy Thum, President
Coastal Communities Concert Band Foundation
