

Come and help us celebrate

Music Monday

May 3, 2010

Join hundreds of thousands of students across the US and Canada, singing and playing music in support of music education in our schools. We will be meeting in front of the 400 building at 2 PM so we can sing from 2:10 to 2:15. We will be singing, "Here Comes the Sun" and "Eat My Vegetables". We hope to see you there!
